Senior Spotlight

I'm Actually Gradmatating!

By Mady Brevik

Jeffrey Allan Bunkers was born on September 22, 2000, in Sioux Falls, SD. His parents are Leanne and Jim Bunkers, and his two

brothers are Justin and Brandon. Throughout school, he has been nicknamed "Bunks."

Jeffrey has been attending Harris-Lake Park his whole life or in his words "too long." His classes for his last semester of high school are small engines, robotics, personal

finance, and choir. His activities consist of soccer, football, FFA, and vocal jazz. Some of his honors and accomplishments are that he is the FFA President, he will attend FFA State Choir, and he has attended State Vocal Jazz.

This year, his part-time job has been working at Hy Vee in Spirit Lake. Jeffrey says his most embarrassing moment was wearing short shorts at prom his junior year. May 15th, the seniors' last day of school, is Jeffrey's most awaited date.

His favorite memory at H-LP is going to state in vocal jazz. He will miss his friends the most and will be attending Southeast Technical Institute for diesel mechanics next fall. Jeffrey sees himself single and living in Lake Park in ten years.

Jeffrey's advice to upperclassmen is to keep your friends close and your enemies closer. Jeffrey's wish, if he could have one, would be calories wouldn't add up over time.

One of Jeffrey's favorites includes a restaurant, which is Stan's Corner. He doesn't have a favorite food because he loves everything. A 1992 Ford Ranger is his favorite car and red is his favorite color. "The Dirt" is his favorite movie, while elephants are his favorite animal. "Man, I Feel Like a Woman" by Shania Twain is his favorite song. Chuck Norris is his favorite actor and his favorite teacher at H-LP is Mr. Nicks. He enjoys small engines and loves to hunt.

Jeffrey leaves us with this quote, "Get'er done" by Larry the Cable Guy.

Job Shadowing for Future Plans

By Zoe Melby

Throughout the months of March and April, Mrs. Roberts' communications class and the juniors did job shadows. They went to different companies throughout Osceola, Clay, and Dickinson County. A representative from ILCC came in to give tips on the experience and also set up locations according to the students' interests.

I interviewed some people about their job shadow, and everyone went to various places and enjoyed different things about it.

Brooke Luinstra, a junior, went to The Look Fashions. It is located in Spirit Lake, and it is a fashion industry. She enjoyed learning about the fashion industry and how it works.

Jaden Rueter went to KUOO, a radio station in Spirit Lake. He enjoyed getting to see the different areas. "I enjoyed getting a tour of the place and getting to see everyone's specific parts of the radio business," said Jaden.

Taylor Maranel went to Nelson Jewelry in Spencer. He liked watching the jeweler make a new pendant out of old rings and charcoal.

Tucker Elder went to Great Lakes Ready Mix, and he en-

joyed getting a chance to ride in the concrete truck.

Peyton Christenson went to Niemeier Spine and Sports Chiropractic in Lake Park. He enjoyed getting to sit in on some of the appointments and learning about the different types of injuries that patients have.

Rylan Siemers went to the Lake Park Body Shop. He enjoyed learning more about the career and getting to talk to different people.

Julian Burdorf went to Spirit Lake Silver and Gold. He enjoyed getting to bend gold, playing with diamonds, and shooting lasers. (see picture)

Amani Abadie job shadowed the head engineer of Osceola County. She learned about the various projects that they do and how they create their plans. She enjoyed learning about and getting to see the projects.

Naomi Sage went to Rosenboom in Spirit Lake. Her favorite part was getting to train a robot.

Overall, the point of the job shadows is to learn about careers that you don't know much about. The job shadows were very educational, and everyone who went learned a lot about different types of careers.

Prom Preview

By Brianne Ihnen

With prom just around the corner, the Harris-Lake Park juniors are busy making the final decisions for the big event. Prom is set to be on Saturday, April 27.

The car parade will start at 6:30 with Grand March immediately to follow at the high school. The public is invited to attend.

After that, the students will enjoy dinner at the community center and the prom dance in the H-LP gym. Then, they will interact with the hypnotist and go to the Kalahari in the Wisconsin Dells. Some of the fundraisers that the junior class did to make this happen include selling cupcakes, making/selling Godfather's pizzas, and doing raffles for a hockey game and Iowa State game.

This year's theme is "Night of a Thousand Lights". The main colors of the decorations include white, silver, and blue. The juniors will begin setting up decorations for the big night the week before prom. To raise money for the decorations, the juniors and their parents worked the concession stand during football, volleyball and basketball season.

Still Time to Check out Some Art

The Dickinson County All School Art Show has been open since March 16, but work continues to be displayed at the Pearson Lakes Art Center until April 20.

Many H-LP students were chosen for special awards. High school honorable mention went to sophomores Parker Christenson with two art works and Alyssa Van Voorst. Middle school honorable mention were the following: sixth graders Luciana Nelson and Caleb Lambert; eighth grader Keala Tait; and seventh graders Akasha Hallman and Cadence Steven. Eight elementary students were also chosen.

Congratulations to Hana Muftah for getting judges' choice honors for the 6-8 artworks! She created a self portrait that was inspired by Roy Lichtenstein. The students had to draw themselves with either a speech bubble or thought bubble and use only

the primary colors. This self portrait was the favorite art work that Hana has done so far. She said, "I feel like I connected with my art. I tried really hard on this one."

Next year Hana hopes to work on a big portrait that resembles her friends and her.

Question of the Week

By Kilyn Forbes

This week we had a very fun question for the students at Harris-Lake Park. If our school could add another sport, what would you want it to be?

- Isaac Ihnen - curling
- McKenzie Heikens - hockey
- Kaitlyn Vyskocil - swimming
- Lexi Stahly - bowling
- Haley Norton - swimming
- Abdulla Elbuytari - boxing
- Adrian Martin - boxing
- Edgar Tapia - rugby
- Naomi Sage - tennis
- Jackson Baumgarn - fishing

There are many sports that I think would be fun to play at our school. If I could add another sport to Harris-Lake Park athletics, it would be bowling. I think having a bowling team would be super fun because no matter if you're good at it or bad at it, it is still fun to play!

Easter Break

Students will not have school on Friday, April 18. However, school will resume on Monday, April 22, to make up a snow day,
