## **BUS ROUTES**

Your bus driver will work with you to establish a reasonable time frame for your child to be picked up. Normally, after the first couple of weeks, the time becomes a habit to the driver and the student. Please keep in mind that the student is required to be at the side of the road prior to the arrival of the bus. Upon approaching your home the driver will merely slow down to look for your child. If the driver doesn't see your children waiting by the road, then the driver is not required to stop and may return to normal speed and continue on their route.

Also, we have more parents who pick up their children after school than who take their children to school or students who participate in events after school, which means fewer students ride the bus home. So the time your child arrives home after school will vary according to the number of stops the driver must make each night.

***Parents are asked to please call the MS/HS building @ 832-3809 after 7:15 AM if your child will not be riding the bus in the morning. Families "on call" are also asked to call the MS/HS building if you need your child picked up in the morning.***

## **LEARN THE RULES!! WHEN YOU SEE A SCHOOL BUS, LOOK OUT FOR KIDS.**

- \* School bus safety is up to you. So, STOP what you're doing and learn the rules in a FLASH!!
- \* To know when to pass, and when NOT to pass learn to read lights and lanes.
- \* Look out for kids. They're counting on you to know what to do.

### **FLASHING YELLOW**

- \* Means bus is preparing to stop.
- \* When following the bus, **WARNING:** Illegal to pass from behind when yellow lights are flashing (\$100 fine).
- \* When approaching the bus, slow your vehicle to 20 MPH or less.
- \* Be prepared to stop.
- \* Look out for kids.

### **FLASHING RED & STOP SIGN OUT**

- \* Means kids are getting on or off the bus.
- \* **WARNING:** Illegal to pass from behind or from the opposite direction (\$100 fine).
- \* Stop your vehicle at least 15 feet from the bus.
  - \* Remain stopped until flashing red ends and stop sign goes in.
  - \* Look out for kids.

### **FOUR OR MORE LANE ROAD**

- (Multiple lanes in opposite directions)
- \* Means more traffic, more speed, more need to know the rules.
  - \* **WARNING:** Illegal to pass when yellow or red lights flashing if you're traveling in the same direction as the bus (\$100 fine)
  - \* If you're traveling in the opposite direction of the bus, proceed with caution when yellow or red lights flashing.
  - \* Look out for kids.

### **RAILROAD CROSSINGS**

- \* Mean school buses must stop before crossing.
- \* **WARNING:** Illegal to pass any vehicle within 100 feet of railroad crossing (\$100 fine).
- \* If you're traveling in the opposite direction of the bus, proceed with caution.

**Student safety starts at home. Teach students who ride school buses to practice these safety rules.**

### **BUS STOP**

- \* Stop and look both ways before crossing any street
- \* Getting on or off, do not cross the street until the bus driver signals it's O.K. to cross.
- \* Always cross in front of the bus far enough ahead to be seen by the driver (five "giant" steps).
- \* Wait for the bus at least 10 feet (five "giant" steps) from the street.
- \* Do not run, push, or shove when waiting at the bus stop.
- \* Wait until the bus driver signals it's O.K. to get on the bus.
- \* Never pick up anything dropped near the bus; tell the bus driver and follow his or her directions.
- \* Never crawl under a bus.

## **INTRODUCTION TO BUS SAFETY**

Approximately 300,000 school buses carry 22 million children on a bouncy ride to and from school each day.

More than 3,000 school bus riders are injured in school bus accidents every year. Sixty to seventy children, ages 5-9 die annually in needless bus accidents around the school. STUDENT MISBEHAVIOR

CREATES THE GRAVEST DANGERS TO PASSENGER SAFETY!!!

A bus driver must drive safely, keep an eye on the road and maintain order while his back is turned on more students than a trained teacher faces in the classroom. He/She needs every passenger's help.

Safe school bus riders depend upon all kids working together with a SAFETY SPIRIT, and using the same school bus safety rules. BEING A SAFE PASSENGER MEANS THAT YOU HAVE THE RIGHT SAFETY SPIRIT!!

### **H-LP BUS SAFETY RULES AND REGULATION**

The following laws and regulations have been selected from the Code of Iowa Administrative Code (IAC), and the H-LP Community School Board. Only those sections relating to school transportation, and those most frequently referenced, have been reproduced. These should not be considered all inclusive.

PUPIL INSTRUCTION, 22.40, IAC. At least twice during each school year, each pupil who is transported in a school vehicle shall be instructed in safe riding practices and participate in emergency evacuation drills. Students shall be instructed as to where they should be positioned as the bus approaches their stop. Students should wait for the bus in an orderly, single file at least ten steps from the roadway. Students crossing the roadway shall be instructed to cross "only on signal from the bus driver", as per section 321.372, The Code.

### **WHEN THE BUS ARRIVES:**

- \* Line up single file, and never crowd, push or shove.
- \* Use the bus handrails as you enter the bus in an ORDERLY fashion.
- \* Be courteous to your bus driver and fellow passengers.
- \* Take your seat promptly, and stay there.
- \* Avoid standing in the aisles.
- \* Hold books so they can't fall, or place them under your seat.

### **DURING THE BUS RIDE:**

- \* Stay in your seat while the bus is moving.
- \* Avoid shouting, scuffling, and other needless disturbances which might distract your bus driver.
- \* Keep arms and head inside the bus windows.
- \* Never throw objects out of the bus windows.
- \* Be quiet, orderly, courteous and considerate of others.
- \* Help keep the bus clean and neat. Never mark, scuff, cut, kick or tear the seats or walls.

### **WHEN YOUR BUS ARRIVES AT YOUR DESTINATION:**

- \* Wait until the bus comes to a complete stop before getting out of your seat to stand up.
- \* Line up on the way out.

- \* Use the front door, unless the driver says otherwise.
- \* Use the handrail as you leave the bus in an orderly manner and be alert to traffic.
- \* Watch your step. Never jump or take a giant step to the curb.

### **GOOD BUS MANNERS:**

- \* No loud talking.
- \* No talking at or near a railroad crossing.
- \* Keep your feet under you and arms close to your body.
- \* Avoid talking to the bus driver, except when the bus is stopped or in an emergency.
- \* Sit quietly in your seat until the trip ends.
- \* Never stick anything out the bus window, or throw things out of it.
- \* Never lean on windows, and never open them without permission from the driver.

### **CROSSING SAFELY:**

- \* Crossing the road is always the most dangerous part of a bus trip. Never depend on the traffic to stop because sometimes it does not.
- \* Never cross in the driver's blind spot, which is right in front of the bus. Instead, walk 10 steps ahead of the bus along the edge of the road. Look back at the driver to make sure he sees you. Wait for his signal, then double check both ways yourself to make sure the way is safe. WALK QUICKLY!! DO NOT RUN!!
- \* Never hold up the bus by stopping, turning back to look, or to check the mailbox for mail.

### **EMERGENCY DOOR:**

- \* The emergency door is for emergency use only, whenever the front door is blocked, or whenever two exits are needed. Your bus driver will explain how it is used and when.

### **IN THE EVENT OF AN EMERGENCY:**

- \* Stay calm. It never helps to get excited.
- \* Remain in your seat until told by your driver what to do.
- \* Never touch any emergency equipment or safety releases unless directed by your driver.
- \* Let passengers near the exit go first. Duck your head. Keep hands free and leave everything behind (Your life is worth more than your lunch box). Bend your knees, if it is a big jump down. Get away from the exit, so others can safely get out.

### **H-LP BOARD PERFORMANCE RESPONSIBILITIES FOR DRIVERS**

- \* Maintain discipline when students are on the bus.
- \* Report undisciplined student to the proper authority.
- \* Keep to assigned schedule.
- \* Discharge students only at authorized stops. (Definition of Authorized Stops: Student's home or school. Students with written permission or verbal "O.K." from Superintendent or Principal of building).
- \* Transport only authorized students.
- \* Enforce regulations against smoking on the bus.
- \* Enforce regulations against eating on the bus. (Option of the driver).
- \* Keep assigned bus clean.
- \* Conduct evacuation drills at least two times per year.
